ATTEST:

LEASE

THIS LEASE is made and entered into by and between the **CITY OF MADISONVILLE, KENTUCKY**, a Kentucky municipal corporation, P. O. Box 705, Madisonville, Kentucky 42431, (hereinafter referred to as the "CITY"), and the **HOPKINS COUNTY EXTENSION SERVICE**, 75 Cornwall Drive, Madisonville, Kentucky 42431, (hereinafter referred to as "HCES"), having an effective date of January 1, 2017, irrespective of the actual date of execution.

WITNESSETH: On December ____, 2015, the CITY and HCES entered into a Letter of Intent setting forth the general understanding and agreement of the parties for the development of certain aspects of the Mahr Park with the understanding that the Letter of Intent would be replaced and superseded by a lease between the parties;

NOW, THEREFORE, in consideration of the mutual promises and agreements of the parties set forth herein, the receipt and sufficiency of said consideration being hereby acknowledged, the CITY does hereby lease, let and demise unto HCES approximately 8.99 acres of real estate located in Madisonville, Hopkins County, Kentucky, more particularly identified on the plat attached hereto and incorporated herein by reference, hereinafter referred as the "Leased Premises" upon the following terms and conditions:

1. This Lease shall be for a term of ninety-nine (99) years commencing on January 1, 2017 unless terminated sooner as herein provided.

2. HCES shall pay unto the CITY rent for the Leased Premises in the amount of Ten Dollars (\$10.00) per year payable in advance on or before the 1st day of January of each year. The CITY acknowledges receipt of the rent due for 2017.

3. The HCES, at its own expense, shall construct certain yet undetermined facilities on the leased premises; however, it is agreed by the parties that the HCES shall not expend less than \$2.5 Million Dollars to construct such facilities. Prior to the commencement of construction, all plans and specifications of said facilities shall be submitted to and approved in writing by the CITY, with said approval not being unreasonably withheld. The HCES shall only be responsible for the payment of all utilities relating to their facilities on the leased premises and shall not be responsible for the payment of any utilities relating to shared use facilities on or adjoining the leased premises; notwithstanding the foregoing, the CITY shall waive all utility deposit fees, sanitary sewer and water connection or tap fees, and building inspection fees.

4. In the event the CITY requires the construction of facilities or improvements not within the HCES's original design plans and specifications which increase the cost of construction more than \$10,000.00 and said improvements would not have been included but for the CITY's request, the CITY shall be responsible for the cost of said additional improvements.

5. It is anticipated by the parties that the improvements and facilities on the leased premises will be constructed in phases. The first phase to be completed is the construction of the outdoor learning pavilion. The pavilion shall be a shared use facility and shall contain restrooms for public use, and all use of the pavilion shall be booked and scheduled through the HCES. The construction of the pavilion shall begin within two (2) years of the execution of this final lease agreement. Ownership of the pavilion shall at all times be retained by the HCES. The construction of the remaining improvements and facilities shall begin within twelve years (12) years of the execution of this final lease agreement. Upon completion of the construction of the HCES facilities, the HCES shall be responsible for maintaining the leased premises and all HCES facilities and improvements thereon in a clean condition and state of repair.

6. Upon the completion of all phases of construction, the HCES shall at its own expense construct a bituminous asphalt parking lot of not less than 150 nor more than 200 parking spaces to support park activities; however upon the substantial completion of the outdoor learning pavilion, the HCES shall at its own expense construct and thereafter maintain a gravel parking lot. The final parking lot shall include grassy areas and eco-friendly technologies to minimize the impact of the parking lot on the environment and to promote proper drainage control. The HCES shall be responsible for all expense of maintaining the parking lot, and for snow and ice removal on its parking lot.

7. The HCES shall contribute the sum of Fifteen Thousand Dollars (\$15,000.00) towards the cost of constructing the entrance road from the north right-of-way of US Highway 41A to the edge of the northern-most entrance into its own parking lot. The CITY shall be responsible for the remaining costs associated with the construction of said entrance road, all park entrance signage, and all ongoing maintenance thereof.

8. All permanent signage on the Mahr Park, including any digital sign, shall be coordinated and of uniform design and material.

9. The HCES shall not be permitted to sublease, let or assign all or any portion of the leased premises without the prior written consent of the CITY. Notwithstanding the

foregoing, the HCES shall have the right to lease or sublease the leased premises to other entities affiliated with the University of Kentucky, and also to the general public for public or private meetings and events, at such rates and upon such terms and conditions as may be established by the HCES. The HCES shall not discriminate against any person, group or entity wishing to lease the facilities on the basis of race, national origin, age, sex, sexual orientation or any other protected classification.

10. In the event the HCES elects to terminate the lease prior to the expiration of the primary term, the CITY shall have the option to purchase from the HCES all of its facilities and improvements on the leased premises at a cost equal to 100% of the then fair market value of said facilities and improvements without any value being attributed to the real property. In the event the parties are unable to agree upon the fair market value of said facilities and improvements, the parties shall each select a qualified appraiser knowledgeable of values in Hopkins County, Kentucky, to appraise said facilities and improvements. In the event the two appraisals do not vary by more than 10%, the fair market value of the facilities and improvements shall be the average of the two appraisals; however, in the event the two appraisals vary by more the 10%, the HCES and CITY shall jointly select a third appraiser to appraise said facilities and improvements and the fair market value of the facilities and improvements shall be the average of the three appraisals. In the event the CITY does not exercise its option to purchase the facilities and improvements, the HCES shall have the right to sell and assign its leasehold interest in the leased premises to a non-profit entity or entities subject to the terms and conditions of this lease and subject to the terms and conditions of the Last and Will Testament of Glema M. Mahr.

11. The HCES shall obtain and maintain in full force and effect during the entire term of the lease insurance on the facilities and improvements constructed by the HCES on the leased premises in an amount not less than the full fair market value or replacement value of said facilities and improvements with the HCES and CITY being named as co-insureds thereon as their interests may appear. In the event said leasehold facilities and improvements are damaged or destroyed by fire or other insured peril, the insurance proceeds shall be utilized to rebuild, restore or repair the damaged improvements to a condition or state of repair at least equal to the condition prior to the insured event.

12. The HCES shall obtain and maintain in full force and effect during the term of the lease liability insurance in an amount not less than \$1 million per occurrence with a

deductible of not more than \$25,000 per claim with the CITY named as a co-insured thereon. The HCES shall provide unto the CITY a copy of said insurance policy or policies and, upon the request of the CITY, shall present proof of timely payment of insurance premiums thereon.

13. The HCES agrees to indemnify and to hold the CITY and its agents and employees harmless from and against all claims for damages to both persons and property arising out of or in any way associated with the HCES's use, occupancy and enjoyment of the leased premises and all shared facilities and/or the exercise of the rights and privileges granted pursuant to this lease including reasonable attorneys fees and expert witness fees incurred by the CITY in the defense of any suit or claim filed against it associated with its use of the leased premises and any shared facilities. The CITY agrees to indemnify and to hold the HCES and its agents and employees harmless from and against all claims for damages to both persons and property arising out of or in any way associated with the CITY's use, occupancy and enjoyment of the leased premises and all shared facilities and/or the exercise of the rights and privileges of same granted pursuant to this lease including reasonable attorneys' fees and expert witness fees incurred by the HCES in the defense of any suit or claim files against it associated with the CITY's use of any shared facilities and/or the Mahr Park.

14. In the event of a dispute or controversy between the CITY and the HCES concerning the improvements to be constructed by the HCES on the leased premises or the rights or responsibilities of the parties arising out of or associated with this lease agreement, the parties agree that all disputes and controversies shall be heard in the appropriate court of justice in Hopkins County, Kentucky.

15. During the term of this lease, if HCES is not in default of any material provision hereunder, HCES shall have the right to lease from the CITY up to twenty (20) additional undeveloped acres for the purpose of planting and cultivating food plots and other agricultural activities. The location thereof and the terms and conditions of said lease shall be as agreed upon by the parties.

16. HCES will not permit any mechanic or materialmen's lien to be filed against the leased premises for any labor, materials and/or supplies furnished to or at the request of HCES; provided however, HCES shall have the right to contest the validity of any lien or claim if HCES has first posted a bond to insure that upon final determination of the validity of the lien that HCES shall immediately pay any judgment rendered against it and

have such lien released without cost to the CITY. In the event HCES has not paid the mechanic lien or posted a bond sufficient to release and pay the lien without thirty (30) days of written notice thereof, the CITY at its option may pay the amount of the lien and any amounts so paid shall be deemed additional rent under this lease and shall be immediately due and payable with interest thereon at the rate of 12% per annum until paid.

17. All business activities conducted on the leased premises shall be in compliance with all applicable federal, state and local laws, rules and regulations relating to the use, storage and disposal of toxic substances and hazardous waste materials including but not limited to CERCLA, 41 U.S.C. § 9601, et seq.; SARA; RCRA; 42 U.S.C. § 6901, et seq.; and the Clean Air Act 42 U.S.C. § 7401, et seq. HCES shall immediately notify the CITY in writing in the event of a reportable spill of any toxic substance or hazardous waste material and any notice of violation or other citation of any environmental nature issued relating to the operations conducted on or about the leased premises. HCES shall be solely responsible for and shall pay all fines, penalties and other charges and costs associated against it arising out of or associated with its failure to comply with any environmental law, rule or regulation, and HCES shall indemnify and hold the CITY, its agents and employees harmless for the payment of same. The CITY shall have the right to enter upon the leased premises upon reasonable notice to perform such environmental testing as it deems necessary or appropriate to insure that HCES is complying with all environmental laws, rules and regulations.

18. The occurrence of any of the following events shall constitute an act of default under this lease:

- (a) Failure of HCES to pay the rent or to make any other payment required to be made pursuant to this lease and such failure continues for thirty (30) days after written notice thereof from the CITY;
- (b) Failure of HCES to maintain insurance as required herein and such failure continues for ten (10) days after written notice thereof by the CITY to HCES;
- (c) Failure by HCES to observe and perform any other provisions of this lease and such failure continues for thirty (30) days after written notice thereof from the CITY; however, if the nature of such default is that it cannot be reasonably cured within said period, HCES shall not be deemed to be in

default if within such period it commences to cure and then diligently proceeds to cure such default;

- (d) The abandonment of the leased premises by HCES; and
- (e) The making by HCES of a general assignment for the benefit of creditors, the filing by or against HCES of a petition to have it adjudicated as bankrupt or a petition for reorganization or rearrangement under any bankruptcy law; the appointment of a trustee or receiver to take possession of substantially all of HCES' assets or its interest in this lease; or the attachment of other judicial seizure of all or substantially all of HCES' assets or interest in the lease or such seizures not discharged within thirty (30) days.

In the event of a default which is not cured by HCES within the time specified, the CITY shall have the right to terminate this lease by giving notice thereof to HCES, in which event the CITY shall have the right to immediately re-enter and retake possession of the leased premises.

- 19. Time is of the essence of this lease.

20. The failure of a party to insist upon strict performance of any term or condition of this lease shall not be deemed waiver of any right or remedy that such party may have, and shall not be deemed a waiver of any subsequent breach of such term or condition. No term or condition of this lease required to be formed shall be waived, altered or modified except by a written instrument signed by both parties.

21. All notices required to be given pursuant to this lease shall be given in writing and shall be hand-delivered or sent by certified mail, return request requested, with proper postage thereon addressed to the parties at the following addresses or at such other addresses as may be subsequently provided in writing:

July 19, 2016

To the Madisonville City Council:

The All Youth Matter Community Outreach Team is planning an "ALL YOUTH MATTER" Block Party on August 27 from 6 – 11 p.m. on Pride Avenue. The purpose of this event is to give our youth an opportunity to see and hear the truth of Christ while providing them with a positive and entertaining experience. We have invited Young Noah, a Christian Rap Artist from Atlanta, GA as well as recording artists from Nkosi Records in Evansville, IN. Plans also include free food, games and crafts.

Our mission is based on Romans 10:14 "how will they believe if they haven't heard, and how will they hear if no one tells them." We see a great need among our youth and do not want them to fall victim to this broken world where among many there is a lack of vision, self-esteem, respect and hope. Our mission is to bring restoration and empowerment to the youth in our community. We believe that works best when the entire community is engaged.

We are asking the council to approve this event on Pride Avenue. We are asking for the street to be barricaded from the Housing Authority to the Arch Street entrance; for porta potties; for trash removal and portable electricity.

Thank you for considering this request.

Sincerely,

Marshae Hopson for the
All Youth Matter Community Outreach Team
