Request to close Sugg Street for MadCity Street Market

MEMORANDUM

Mayor & Council,

I respectfully request the opportunity to close Sugg Street from South Main to the entrance of the US Bank parking lot East of the railroad track at the following times for the MadCity Street Market:

- Friday, May 19th from 3:00 – 10:00 PM
- Friday, June 16th from 3:00 – 10:00 PM
- Friday, July 21st from 3:00 – 10:00 PM
- Friday, August 18th from 3:00 – 10:00 PM
- Saturday, August 19th from 7:00 AM – 1:00 PM
- Friday, September 15th from 3:00 – 10:00 PM
- Friday, October 20th from 3:00 – 10:00PM

As I'm sure you are aware, the MadCity Street Market is an event the Downtown Turnaround Partnership has been working to create for some time. Our market will highlight an eclectic mix of local produce, handmade products, live music, and prepared foods. We hope to see this event grow over time to stretch far outside its current boundaries on Sugg Street and become a source of regional tourism for our community.

As with similar past events, we would appreciate accommodation by the Streets and Electric Departments by providing traffic barricades (white vinyl plank fence sections used at other City events, if possible, or orange barrels), 6 trash totes, and allowing our vendors to use power provided from the sidewalk light posts, which should be minimal.

Thank you for consideration of this request. Please let me know if you have any questions or concerns.

Renaming Midtown Drive to Midtown Boulevard

The City of Madisonville received a request from the First Responder Advisory Board to rename Midtown Drive to Midtown Boulevard. The request states that the City of Madisonville hold a public hearing and provide legal notices to change the name of the street, install two (2) city street signs at the intersection of Midtown Boulevard and E. Center Street and the intersection of Midtown Boulevard and Ruby Drive. A copy of the request from the First Responder Advisory Board is attached.

First Responder Advisory Board
Midtown Drive Renaming Recommendation

IN RE: THE MATTER OF RENAMING OF A STREET LOCATED IN THE MIDTOWN COMMONS DEVELOPMENT

This matter of renaming a street located in the Midtown Commons Development came before the First Responder Advisory Board on May 4, 2017. This was our findings:

FINDINGS

1. On May 4, 2017, the First Responder Advisory Board held a meeting and heard the petition from the developer of Midtown Commons.
2. No addresses have been assigned off of this street at this time.
3. The developer is requesting that the street type be changed from Drive to Boulevard.
4. Currently, there are only eight (8) designated boulevard street types county-wide.
5. The character of the development has changed since this development was originally platted and the street named. This street more closely resembles a boulevard as it is a wide street running through a town or city.

CONCLUSION AND RECOMMENDATION

In conclusion, the First Responder Advisory Board having considered the evidence presented and after discussion does hereby find that petition to re-name the street named Midtown Drive to Midtown Boulevard located in the City of Madisonville should be granted.

It is our recommendation that the City of Madisonville hold a public hearing and provide legal notices to change the name of the street named Midtown Drive to Midtown Boulevard and after the name is changed, install two (2) City Street Signs at the intersection of Midtown Boulevard and E Center Street and the intersection of Midtown Boulevard and Ruby Drive.
